## **INSTALLATION, BREAK-IN PROCEDURES**

LKQ Remanufactured products are designed to provide years of trouble-free service. In order for your LKQ remanufactured product to perform as expected, it must be installed correctly, operated responsibly and properly maintained.

### **Engines and Cylinder Heads**

Once the product has been installed, it is the owner's responsibility to break-in the product properly. After the break-in period and 600 mile checkup, the product must be maintained to the original manufacturer's specifications. If you are unsure of the maintenance schedule or have any questions regarding your LKQ product, please call LKQ's customer service department at 800-421-3746
